Good Morning Tracey,

I am one of the people responsible for making IRS forms 508 compliant. I was forwarded your email below concerning our form 1095-B. I have been re-looking at the form and am not seeing any issues with it. Can you expand on your concerns a little more? If it would be easier, please feel free to give me a call at my office line listed below in my tag line.

Pat,

Hi. Sherry tells me that you handle 508 compliance for tax products. Is that right? If so, see below. I'm being told that F 1095B is not compliant.

Good afternoon Mary – I am wondering if you can assist me in responding to the inquiry below regarding 508 compliance for Form 1095-B. I am not sure which area handles the process to make sure forms are 508 compliant, but the email below indicates Form 1095-B is not compliant. Do you know who I can direct this inquiry to so that I can respond to them? Your assistance with the matter is appreciated in advance. Thanks.
